Subject: Outreach activities on Life for Environment (LiFE) on World Environment Day, 2023-reg.

A meeting of CoS under chairmanship of Cabinet Secretary was held on 28.04.2023 in connection to celebration of World Environment Day (WED) on 05th June, 2023. A 'Mass Awareness Programme for Mission LiFE (Lifestyle for Environment)' is planned. MoEF&CC is the sponsoring Ministry.

2. Following outreach activities have been suggested by MoEF&CC to be undertaken by MoD in connection to the above:

- (i) Setting up LiFE centers for collecting old clothes, books and utensils in all establishments by 5th June.
- (ii) Organising bicycle rallies to promote LiFE.
- (iii) Construction of 1000 Water Harvesting Structures.
- (v) Plastic collection drive by NCC cadets and Agni Veers in areas other than schools on 5th June.
- (vi) Mandatory LiFE Awareness Modules to be included in training modules.

3. In this regard, MoEF&CC also had a follow up meeting wherein they made a presentation on 02.05.2023. During the meeting it was apprised that login id & password has been generated for all 05 departments under MoD for accessing Meri LiFE portal. The details of login in respect of all the Departments are attached as Annex-I. **The institutions under various Departments under MoD are required to register themselves separately on Meri LiFE portal wherein they have to update day-wise details of the events (including details of date, venue and number of participants etc.) including uploading upto 5 pics & 3 videos of 45 seconds for each event with geo tagging. All uploadings should have Meri LiFE logo and meaningful captions on each photo and videos. The Meri LiFE logo can be downloaded from Mission LiFE portal of MoEF&CC. The institutions will be mapped with the concerned Departments.**

4. Further for creating mass awareness about environment conservation, following actions would be required:

- (i) All participants of the events should take Mission LiFE Pledge attached as Annex-II.

(ii) The effective Social Media Campaigns on Facebook, Twitter, Instagram, Posting Reels on LiFE etc. are also to be undertaken in respect of these events.

(iii) The videos /Creatives available on Mylife portal may be utilized for creating awareness about environment conservation. Afforestation drive may also be taken up. A concept document on 'LiFE' is also available on the website of NITI Aayog which can be referred to for planning events for the purpose.

5. Keeping in view the specific identified activities mentioned above, all addresses are requested to formulate a Plan of Action (PoA) for organizing the LiFE Events in their respective Organisations/ Institutions. The PoA should be in two parts- all the events to be organized before 05th June, 2023 (World Environment Day) and the events to be organized on 05th June, 2023.

6. All departments to designate their respective nodal officers who will hold the department login ID and password. These nodal officers in turn will ensure that nodal officers are designated for their respective Organisations/Institutions. The concerned Wings of DoD are requested to forward the PoA with calendar of events to JS(Trg.) (nodal officer for DoD), by 04.05.2023.
